CAPTURING TIME IN A FRAME

We proudly present our classic and elegant photograph frames. By maintaining our high standards of craftsmanship and love of aesthetics, we have created a unique blend of quality and beauty to preserve and celebrate life's treasured memories.

MADE IN AMERICA

Each frame is individually hand crafted in our Santa Barbara studio. To provide a distinctive insignia for the collector, we hand stamp our name into the frame and attach a metal pendant that reads "Made in USA."

STANDARD AND CUSTOM SIZES

Frames are available in vertical, horizontal and square. Standard frames are available in the following sizes: 3.5x5, 4x6, 5x5, 5x7, 7x7, 8x10 & 10x10 inches. Custom sizes are available upon request. For reference, all images in this catalog are 5x7 vertical frames. When we fabricate larger and smaller frames we adjust the ornamental pieces to fit appropriately, using attention to every detail.

FINISHING DETAILS

The beveled glass in our frames contributes to the graceful and almost frameless look. All our frames are offered in solid brass and 99.9% pure silver plate. A clear lacquer finish is applied to prevent tarnishing. Each frame is individually boxed and includes a printed guarantee.

OUR MISSION

We are dedicated to providing our customers with the finest quality and best service available. We are a socially and environmentally conscious company working in harmony and with respect for the human spirit and our planet. We hope you enjoy your frames as much as we enjoy making them. Thank you for your support.
